Liqui Moly Marine Grease 250g / 400g

Product price:

£11.19 tax included

Product description:

Heavy-duty grease for many of the lubrication points in the maintenance of vessels. Reduces friction and wear. Extremely long-lasting lubrication properties. Excellent aging and shear stability, and resistant to hot and cold water. Water-repellent and totally impervious to saltwater. Meets the requirements of NATO Marine Specification G460. Resistant in wet environments and provides excellent sealing properties. Labeling according to DIN 51502. KPF2G-20. Versatile product for use on grease points across all marine needs. Can also be used for exterior components which are exposed to salty air and seawater.

Application

As usual when using grease. Follow the instructions of the bearing manufacturer. Our hand-lever grease gun for cartridges (part no. 5310) is suitable for use of the 400 g plastic cartridge.
