Liqui Moly Marine Winch Grease

Product price:

£12.79 tax included

Product description:

Synthetic high-performance grease with PTFE solid lubricants specially developed for all kinds of winching and hoisting applications. The solid lubricant provides the ultimate in wear protection and reduces friction. Resistant to seawater and saltwater with excellent adhesive properties. Does not contain resins or acids. Ideally suited for winching and hoisting applications with non-ferrous metal pairings and plastic/metal pairings. Powerful adhesive properties and neutral in respect of harmful environmental factors.

Application

Before treating, the surfaces must be clean and free from residues, dirt and moisture.
