Marine 4T Motor Oil 15W-40

Product price:

£11.99 tax included

Product description:

High-performance motor oil based on selected base oils and modern additive technology, developed specially for the maritime requirements. Even in extreme conditions guarantees optimum lubrication and reliable protection against wear. Tested for use with catalytic converters and turbochargers.

All-season oil for gasoline and diesel marine engines. Can be mixed with all commercially available motor oils.

Application

The specifications and instructions from the assembly or vehicle manufacturer must be followed!

Product codes:

Reference: LM25015
EAN13: -
UPC: - MPN: -

Product short description:

High-performance motor oil based on selected base oils and modern additive technology, developed specially for the maritime requirements. Even in extreme conditions guarantees optimum lubrication and reliable protection against wear. Tested for use with catalytic converters and turbochargers.

- can be used in gasoline and diesel engines with and without turbocharger
- low evaporation loss

- high shear stability
- high wear resistance
- tested for turbochargers and catalytic converters
