Yanmar Gear Oil - 80W90-1L

Product price:

£16.46 tax included

Product description:

Yanmar Gear Oil - 80W90-1L

Product codes:

Reference: SAE 80W90-1L
EAN13: -
UPC: - MPN: -

Product short description:

Yanmar Gear Oil - 80W90-1L is a premium lubricant engineered to optimize the performance and longevity of your boat's gearbox under demanding marine conditions. This high-quality gear oil ensures smooth and efficient operation, providing robust protection against wear, corrosion, and oxidation. Ideal for boaters seeking reliability and enhanced gear performance.

- Provides exceptional thermal stability
- Protects gears against rust and corrosion
- Reduces noise and vibration for smoother operation
- Suitable for use in high-load marine environments
- Enhances gear shift performance for optimal vessel control
