Diesel engine oil (3.78L)

Product price:

£44.94 tax included

Product description:

Specifically formulated and developed to meet the needs of all 4-cycle marine diesel engines.

- *15W-40 oil formulated to combat sludge and varnish formation.*
- *Contains a higher additive level than standard fleet oils, providing better protection.*
- *Provides excellent shear stability to assure stay-in-grade performance, even in highly stressed applications.*
- *Protects internal engine components from corrosion and wear.*
- *Provides excellent water tolerance*
