August Race - Liquid Rib

Product price:

£19.99 tax included

Product description:

Always try a small discreet test patch to ensure compatibility before full application.

- Dilute up to 1 - 1 (water to product) in a clean spray bottle or use neat for heavier contamination
- Apply directly to the tube, working in sections of no more than one metre to prevent drying
- Agitate using a clean microfibre cloth in a circular motion
- Rinse thoroughly with fresh water after cleaning
- For best results, follow with Oceans Assured™ LR Sealer UV
