Fortress A Hitchlock

Product price:

£133.99 tax included

Product description:

- The FORT A hitchlock fits the Knott Avonride hitch, found on most Ifor Williams trailers and Ifor Williams horse boxes. The hitch is also on trailers from other brands, including Nugent, Debon, Cheval Liberté, and others.(Please use the Selector Guide for more details)
- The design of the FORT A hitchlock ensures it fits both hitched and unhitched configurations. This therefore prevents the car and caravan from separating in a car park or motorway service station.
- Equipped with maximum security features, the hitchlock includes twin hardened pins for enhanced locking. It also includes anti-drill protection to stop thieves from getting at your vehicle.
- To ensure maximum visual deterrence, it is painted bright red. This deters thieves at the sight of your super secure trailer.
- Compact and easily stored, this product is not only convenient but also comes

with an available hitchlock carry case for purchase; further details are provided below.

- The product is the ideal hitchlock for Ifor Williams and other trailers with the Knott Avonride hitch

The FORT A is one of the best selling products at SAS because of its functionality for one of the most used hitches. The FORT A has withstood many attempted robberies and has proven to be fully secure time and time again.
