Product description:

The FORT B combines quality, security and simplicity therefore giving you peace of mind. The SAS hitchlock gives maximum security by completely covering the hitch head and bolts. This means that no thief can get their hands on your hitch.

- The FORT B hitchlock fits the AL-KO AK301 Head, the Bradley Autohead 2.7 kg and Bradley Autohead 3.5 kg hitches. (Please use the Selector Guide for more details)
- This insurance-approved product ensures you complete peace of mind.
- The design of the Fortress hitchlocks ensures it fits both hitched and unhitched configurations. This therefore prevents the car and caravan from separating in a car park or motorway service station.
- Equipped with maximum security features, the hitchlock includes twin hardened pins for enhanced locking. It

also includes anti-drill protection to stop thieves from getting at your vehicle.

- To ensure maximum visual deterrence, the hitchlock is painted bright red. This deters thieves at the sight of your super secure trailer.
- Compact and easily stored, this product is not only convenient but also comes with an available hitchlock carry case for purchase; further details are provided below.
