Product description:

The KB21 Unilock Rectangular Padlock offers strong security with a clever design for many uses. Its large shackle opening fits bulky or awkward locking points where others fail. The slim shackle diameter slides into tight spaces, making it ideal for places other locks cannot reach.

This rectangular padlock features a solid brass body that stands up to tough outdoor conditions. It includes a hardened chrome-plated steel shackle enclosed to resist cutting and prying attacks. As a result, it provides strong, reliable security for you valuable belongings in any environment.
