SAS 12mm Steel Braided Security Cable – Double Loop

Product price:

£19.99 tax included

Product description:

The 12mm Steel Braided Security Cable provides unbeatable strength and flexibility for securing your valuable items. It is perfect for bikes, trailers, boats, garden machinery, and more. It combines toughness and flexibility, adapting easily to different locking points.

The security cable comes in two lengths. Choose either the 2.5m or 6m option to suit your needs. Each end loops, which often doubles its effective reach.

The security cable’s design prevents tangling during use making it user-friendly and practical. The vinyl coating improves durability against weather. Therefore, this steel braided cable maintains strength in various conditions.
