SAS GREEN VITAL Hitchlock

Product price:

£21.99 tax included

Product description:

The SAS GREEN VITAL hitchlock is a handy, lightweight and easy to use lock designed to fit many 50mm trailer coupling hitches. A simple ratchet locking system enables fitting in seconds and unlocked again easily using a robust cross style key.

With 11 locking positions the lock is versatile enough to fit most small trailers, especially those fitted with a pressed steel hitch coupling. Constructed with a cast main body and case-hardened steel locking U bar, with brass lock cylinder. The VITAL is a good visual deterrent for the would-be thieves.

- 2 secure cross style keys supplied for unlocking
- Universal design to fit most 50mm ball style trailer couplings.
- Includes a case-hardened solid steel 12.6mm diameter top U bar
- Very quick to install without using keys
- Very visible with bright powder coating

finish to deters thieves

- Handy lightweight design
