**Product description:**

The SAS GREEN iLOCK is a versatile eye lock designed to fit a wide range of trailers using an eye type coupling. The iLOCK fits a range of eye hitches from 40 – 60mm eye couplings. A simple design using a solid main shaft fitted with a robust SAS Solid Round Padlock (8300071), you can fit the product with ease. The padlock has an enclosed shackle making it difficult to attack.

The bright green powder coated iLOCK not only looks good, but also deters thieves from attempting to take your trailer. Go ahead and secure your trailer now.

- Simple but robust and strong to reduce the risk of theft
- Fits most eye couplings with 40 – 60mm eye diameter but only fits when unhitched from your vehicle.
- Quick and easy to fit.
- Very visible with bright green powder coating to deter thieves

- Supplied with steel round padlock, with 2 keys
