SAS GREEN VAULT Hitchlock, with Padlock

Product price:

£31.99 tax included

Product description:

The SAS GREEN VAULT hitchlock is a robust yet lightweight security solution designed to protect your trailer or caravan. It’s simple to install and comes with an SAS DC70 stainless steel disk padlock, complete with three keys for convenience.

This strong combination effectively immobilizes your hitch, helping to deter tow-away theft and may even lower your insurance costs.

The bright green powder-coated finish not only looks great but also acts as a visual deterrent to potential thieves. Secure your trailer today with the SAS GREEN VAULT hitchlock – a simple yet powerful way to protect your valuable assets.

- Strong steel box construction encloses coupling
- Box structure protecting hitch from weathering
- Two locking positions to allow you to fit a

wide range of pressed steel couplings

- Universal design that fits many trailer couplings
- Can be quickly and easily fitted
- Bright green powder coating enhances visibility, acting as a strong theft deterrent
- Hardened stainless steel disc padlock, supplied with 3 keys
