Product description:

The SAS GREEN VALIANT hitchlock builds on the VITAL model. It features a robust cast main body and a thicker, double-locking top U-bar. As a result, it offers a strong, mid-range solution that fits most 50mm trailer coupling hitches and remains easy to use. . The SAS GREEN VALIANT hitchlock has 8 locking positions to enable fitting to most trailer coupling hitches.

This hitchlock comes with 2 high security cross formed style keys. The powder coated green finish protects the body, but also works as a great visual restraint to thieves. The hitchlock includes double-locking ratchet system that secures the upper steel U bar on both sides and therefore you can fit the hitchlock in seconds without using the keys because of the double locking ratchet system.

- Robust case-hardened double locking top U bar
- Double ratchet system, locking in 8 positions, giving flexibility for use on

many different hitches

- Very quick and easy to fit
- Universal design to fit most 50mm ball style trailer hitch couplings.
- Very visible with bright powder coating finish to deters thieves
