Product short description:

The all-new GX series torches are made from a tough fibreglass core with a rubber overmould that makes them waterproof, dustproof, and easy to grip. So if you need a torch you can depend on in the toughest conditions, the GX range is for you. They also offer fingertip focusing optics for flood-to-spot beam adjustment and are IP67 rated for water/dust resistance. The GX10 model offers a 360-lumen beam (550 lumens on Turbo mode) and 18hr run time. Uses 3xAAA batteries. 13cm long.
