Yanmar engine oil 15w40-5 litre

Product price:

£52.66 tax included

Product description:

Yanmar engine oil 5 Litre - 15w40-5

Product codes:

Reference: 15w40-5
EAN13: -
UPC: - MPN: -

Product short description:

Experience superior marine engine performance with Yanmar engine oil 15w40 5 litre, specially formulated for boats. This high-quality lubricant ensures optimal protection and efficiency in marine environments, tackling the challenges of the open water with ease.

- Provides robust protection against engine wear and tear.
- Optimized for enhanced fuel efficiency and engine performance.
- Formulated to withstand harsh marine conditions.
- Ensures smooth operation under a broad temperature range.
- Designed to reduce emissions while maximizing power output.
- Prolongs engine life with advanced anti-corrosion technology.
